

28th February 2025

Dear Parents/Carers

Interim Report – Spring Term 2025

I am writing to inform you that your child's interim report is available to view by logging into your Arbor account through the Parent Portal.

Arbor already provides you with daily, up-to-the-minute information about how your child is doing at school, but this report contains a snapshot of their effort, behaviour and attitude to learning from their subject teachers. It also provides you with an indication of their projected attainment – what we believe pupils will achieve if they maintain their current effort, given in terms of age-related expectations (i.e. whether they are 'Developing' towards, 'Meeting' or 'Exceeding' the expected achievement for their age). You will receive a more detailed, 'main report' later in the year.

Please log into the Arbor Parent Portal to access your child's report.

To locate the report you will need to do the following:

- Open the quick actions orange tab in the top left hand corner of the page.
- Select report cards from the drop down menu.
- This will display the report in a list.
- Selecting the report will allow you to download your child's report to view as a PDF document. You can then save the document and print copies should you wish.

Should you be having issues accessing your child's report, do not hesitate to get in touch by emailing arborqueries@codsall-middle.staffs.sch.uk and we will endeavour to assist you with your issues.

This report will be followed by in person parents' evenings with your child's subject teachers.
