

13th June 2024

Dear Parents/ Carers,

University of Wolverhampton visit for Year 7.

We are excited to welcome a team from the University of Wolverhampton, who will be visiting us on the 9th and 10th July for an exciting “what’s inside me” event to enhance our STEM experiences.

Each form group will have a timetabled slot over the course of the two days to take part in the workshop, where equipment will be provided by the university. Your child will know when their timetabled slot is closer to the day of the event.

As representatives of Codsall Middle School, we expect **all** pupils to behave in a responsible and mature manner. Please be advised that if expectations are not met, your child may be asked to leave the workshop.

As we are being visited by an outside provider, there is a small cost of **£5.47** to cover the experience. Please make this payment via Parent Pay by no later than **Friday 28th June**.

Should you have any further queries regarding the visit please contact me directly.

Yours sincerely,

G. Tobin
